

WisdomThinking®

Leader Kick-off

(Plan S)

For whom?

The WisdomThinking® Leader Kick-off is designed for **leaders, entrepreneurs, executives, project management, HR** and anyone who wants to apply this methodology. It supports leading teams wisely and harmoniously in complex and confusing contexts.

What contents?

This plan gives a basic understanding of the method in 2 days. Here the basics of its application with the WisdomThinking® tools are taught and practiced.

Contents, including:

- Compact introduction to the action-systemic attitude as a basis for WisdomThinking®
- Getting to know the method with the central change of perspective towards the perception of the context as a reservoir of interrelated resources
- Working with the HarmonicGuides as practical tools with their strong visualization, structuring and logic
- Working out and practicing the harmonious approach, initially in the simplest application case, namely the action of the individual.

When and where?
